The Pocono Concert Series is a partnership between Notre Dame High School and East Stroudsburg University in conjunction with the Northeastern Pennsylvania Philharmonic Orchestra.

This project is supported by the Pennsylvania Council on the Arts, a state agency, through its regional arts funding partnership, Pennsylvania Partners in the Arts (PPA). State government funding for the arts depends upon an annual appropriation by the Commonwealth of Pennsylvania and support from the National Endowment for the Arts, a federal agency. PPA is administered in this region by the Pocono Arts Council.
