

Jim Thorpe High School

Directions:

Take I80 West to exit 284 for Blakeslee. Off the exit, make a left onto 115S. Travel 115S for approximately 15 miles. When you pass St. Luke's Rehabilitation on the right and Country Tavern on the left, you will start to go down a big decline, wooded area. When the wooded area changes to a residential area, look for MCT Plaza on your left. Make a left immediately after the MCT Plaza and before Dean Anthony's onto Olympian Way. The school will be on your right within two blocks. If you pass Mauch Chunk Trust Bank, you went too far.
